*Financial Help to Merchants from Banks holding Government Investments.*

44. MR. S. PIRAVIPERUMAL PILLAI (*Commerce and Industry, South*): With reference to the answer given at the meeting of the Council held on the 24th February 1921 to part (iii) of question No. 22, will the Government be pleased to state why instructions have not yet been given to the various banks in which Sirkar funds are invested to render financial help to merchants carrying on trade here?

MR. K. N. RAMASUBBA AIYAR (*Financial Secretary to Government*): The Government do not consider that a stipulation such as was suggested in 1921 in the question referred to can be made a condition precedent to the investment of surplus funds with banks. It is hoped that, when the State-aided Bank begins to work, further banking facilities over and above those that are already afforded will be available to merchants carrying on trade in the State.
